Some people may not know
But they are still liable
Don't go to hell ignorant
Please read your Bible.

God wants better things for you
Spiritual things are still viable
Are you interested in spiritual things?
Well, please read your Bible.

Some people are unconcerned
Some are very excitable
If you want to know more about God
Hey, please read your Bible.

There is a heaven and hell
This is undeniable
Where will you go after death?
Please read your Bible.

Your spirit may be growing cold
You may just need a revival
Learn how to pray while it is day
Please read your Bible.

Some cars are broken down
Some are still driveable
I wouldn't steer you wrong
Please read your Bible.

Don't live in confusion
This is not just some babble
If you really want to learn
Please read your Bible.

This is so important
Please don't treat it as so trivial
This will open up new worlds
Please read your Bible.

Don't live a life of strife
Learn to become more reliable
Humble yourself under God
Please read your Bible.

When you get to heaven
You'll be glad you didn't dabble
In sin because you found righteousness
When you read your Bible.

If you want an education
Learn something so practical
Here's what you can do
Please read your Bible.

People rebel against God
Don't participate in their rabble
There are dire consequences
Please read your Bible.

Time is growing short
Someone must pay the piper
Justice is settled by blood
Please read your Bible.

Jesus is coming soon
That should cause a revival
He may be here even sooner
Please read your Bible.

Study to show yourself approved
If you want to be a disciple
You must learn in order to grow
Please read your Bible.

You get weak when you don't eat
To find a life more powerful
Feed on the words of God
Please read your Bible.
