

Blood on the Cross

Roger Montgomery

We should carry our cross
Like Jesus said for us to do
But we hang them around our necks
What does it mean to you?

We talk about the cross
Seems the thing to do
But do we take it up
How has it affected you?

There is a difference in our cross
Ours or the well to do
There was blood on Jesus' cross
Has it spilled on you?

Or have you crossed it off your list
Of things you want to do
Is the cross your cross to bear
How has it affected you?

Have you seen the sacrifice
Has the message gotten through
Has it changed your life for good
How has it affected you?
