

## **Check In**

Roger Montgomery

God is searching for you  
That's what the gospel is all about  
If you're gone, check in back home  
Check in before checking out.

If you stay gone too long  
You may miss the coming shout  
It's written in the book, so take a look  
Check in before checking out.

God won't wait forever  
Get ready and get rid of all doubt  
It's up to you for what you do  
Check in before checking out.

Jesus is coming back soon  
He'll be coming with a shout  
Call today and start to pray  
Check in before checking out.

He won't come back or wait for you  
Won't do no good to cry and pout  
If you come home after Jesus has gone  
You'll check in without checking out.
