

**Christmas Day**  
Roger Montgomery

God brought the first Christmas present  
His Son He gave away  
And we still celebrate His birth  
And we call it Christmas Day.

And He started a practice of giving  
And it has always been that way  
What He had He freely shared with us  
And we call it Christmas Day.

He was a present sent from above  
And to Him we kneel and pray  
And we thank God He was born  
And for that Christmas day.

If we could learn to give like that  
This world would be okay  
We could bless so many lives  
And make all year like Christmas Day.
